## FROM THE SUPERINTENDENT'S DESK

I hope this newsletter finds you safe and well. Would you agree the model railroad community has been preparing for stay at home orders? It has certainly provided me with more modeling time, albeit as a solo activity.

Some of you may have recently joined a Zoom meeting to connect with friends and family. Since we are not able to gather in person for our monthly meetings yet, we are going to try a virtual meeting too. A computer with audio and video capabilities has the best experience but know that you can still participate with just a telephone. If you have any questions on getting set up, my number is 303-667-7197.

The meeting will be at our usual time. Simply follow the link: <https://us02web.zoom.us/j/9879823536> and use the Meeting ID: 987-982-3536

If you are using a telephone, the number is: 720-707-2699 with the same Meeting ID.

Again, please reach out if you have any questions. I look forward to seeing you next week!

Stay safe,  
Matt Norby
